PUBLISHED FOR MEMBERS OF BANK-FUND STAFF FEDERAL CREDIT UNION®

FEBRUARY 2010

FREE to Use Your Own Money

Did you know Credit Union members will never pay service fees for using a BFSFCU ATM to access their BFSFCU accounts?

To minimize fees incurred by our members in the absence of a BFSFCU ATM, and to offer the freedom of accessing your cash wherever you may be, we have joined two ATM networks so that our members can get cash with no surcharge:

- **The CO-OP Network** provides surcharge-free access at 28,000 ATMs, which includes 9,000 deposit-taking ATMs and 5,500 7-Eleven locations throughout the U.S. and Canada.

Going on a roadtrip? Download the database of the 28,000+ surcharge-free ATM network directly to your Garmin, TomTom or other GPS device and you'll never be lost looking for a surcharge-free ATM again. Visit www.co-opfs.org and click on the Locators tab for more details.

- **The Alliance One network** has over 4,700 surcharge-free ATMs across the U.S. and Puerto Rico. Visit www.atmallianceone.org and enter your information into the ATM Locator.

The Ultimate in Access to Your Cash

Sign up for **e-Statements** and, when you use your BFSFCU Visa Debit Card at any non-BFSFCU ATM in the U.S., *all* transaction fees incurred (including those charged by other banks or ATM networks) will be rebated to you soon after the close of each statement month. To activate e-Statements, log in to Online Banking and access the e-Alerts menu.

A SIGN OF SUCCESS

Last month, **\$12,500,000 in supplemental dividends** was distributed to our membership.

This distribution reflects the financial strength of BFSFCU during 2009 and our desire to recognize and reward members whose support has contributed to our financial success.

Qualifying members received \$10 plus an amount equal to the average daily balance they maintained during 2009 in their Share and Share Certificate Accounts multiplied by a distribution factor of .53%. These dividends were deposited in the Membership Savings (S1) accounts of those members who had their accounts open at the time of dividend posting and who had a minimum balance of \$5 in their S1 accounts as of December 31, 2009, and did **not** (a) have loans delinquent two months or more as of December 31, 2009, or (b) have dormant accounts (i.e., no member-initiated transaction activity since December 31, 2006), or (c) cause a financial loss to the Credit Union.

The Board of Directors, management and staff at BFSFCU are grateful for the continued support and patronage of all of our members.

Take Control of Your Finances

Set up a recurring **international wire transfer** to pay for monthly rent, school fees, family support or any bills abroad. Available in over 80 currencies and at no additional charge, recurring wire transfers are a convenient way to organize your finances. Transfers can be set up by fax, e-mail or e-Wire through Online Banking. Contact the Foreign Exchange Department at **202.212.6440** for more information about our recurring wire transfer service.
