Back-to-School Savings

Back-to-School Savings

As your child starts preparing for the new school year, consider giving him or her a strong financial start by teaching the importance of saving. Your credit union can help by offering many options for parents and children to work together to save for a sound financial future.

- **BFSFCU® Membership** — It's never too early to start saving, so if you haven't already done so, open a joint account with your child. Our online membership application can be found at BFSFCU.org/Join.
- **Online Banking** — Your child can securely access his or her account online anytime, from anywhere, to view transactions and make transfers between accounts. Download the Online Banking Security Number request form at BFSFCU.org/OB.

- **Googolplex** — An online magazine written by youth, for youth, this interactive resource can help your child learn fun ways to save through games, videos and blogs. Visit BFSFCU.org/googolplex to start exploring the world of financial management.
- **Prepaid StudentCard** — This reloadable Visa® card is a great tool for teens to use wherever Visa is accepted and can also be used at ATMs to withdraw cash. The account can be accessed online to keep track of expenses and to transfer funds to reload the card. Visit BFSFCU.org/StudentCard to obtain your new card or to manage your account.
- **Young Savers Share Certificate (YSSC)** — With an initial deposit of \$100 and monthly contributions of at least \$20 over 12 months, your child can earn a competitive fixed rate of return. Specially designed for young members under the age of 18, the YSSC will help motivate your child to save money over time. Opening a YSSC is easy — simply log on to Online Banking, click on the Accounts tab, and select the “Open New Account” button.

**Members who open a YSSC in the month of SEPTEMBER
will be entered in a drawing to win one of two Nintendo Wii game consoles!***

If you have any questions about our products or services, please visit one of our branches or contact us 24x7 at **202.212.6400**.
